xxxxx Nihonbashi, Chuo-Ku, Tokyo, 103-8328 Japan

The nature of the area at the address

Industrial Commercial Residential

The nature of the building

Industrial Building Office Building Residence

The entity is operating at this address.

Yes No

Is the address dedicated building for the entity?

Yes No

Is there signage with the company's name or trade name at the site?

Yes No

Name(s):

If no signage and no evidence of company presence at the site, were interviews with reception, security or neighboring personnel able to confirm company operations at this location?

Yes No

Sources:

A direct Inquiry was made with a security guard of the building. And the security guard was not aware of the existence of the company.

A telephone inquiry was made with a property manager of the building.

Mr. xxxxxxx

XXXXX BUILDING MANAGEMENT

TEL 03-3246-xxxx

Mr. xxxxxx was in charge of this building. He seemed to memorize all the tenant companies at the building. He stated there was no tenant contract with ABC Capital at the building. He even checked the website of ABC Capital (<https://abccapitaljapan.com/>). He formally affirmed that ABC Capital was misrepresenting the address.

Multiple businesses at the exact same address (in the same office) as the entity.

Yes No
